COMPLAINT

COMES NOW, MARYANNE MCCAULEY, by and through the undersigned counsel, and files this, her Complaint against Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.* (“ADA”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (“ADAAG”). In support thereof, Plaintiff respectfully shows this Court as follows:

JURISDICTION

1. This Court has original jurisdiction over the action pursuant to 28 U.S.C. §§ 1331 and 1343 for Plaintiff’s claims pursuant to 42 U.S.C. § 12181 *et seq.*, based upon Defendant’s BURKEMPER FAMILY PARTNERSHIP, L.P., failure to remove physical barriers to access and violations of Title III of the ADA.

PARTIES

2. Plaintiff MARYANNE MCCAULEY (hereinafter “Plaintiff”) is and has been at all times relevant to the instant matter, a natural person residing in St. Peters, Missouri, (St. Charles County).

3. Plaintiff is disabled as defined by the ADA.

4. Plaintiff is required to traverse in a wheelchair and is substantially limited in performing one or more major life activities, including but not limited to: walking, standing, grabbing, grasping and/or pinching.

5. Plaintiff uses a wheelchair for mobility purposes.

6. Plaintiff is also an independent advocate of the rights of similarly situated disabled persons and is a “tester” for the purpose of enforcing Plaintiff’s civil rights, monitoring, determining and ensuring whether places of public accommodation are in compliance with the ADA. Her motivation to return to a location, in part, stems from a desire to utilize ADA litigation to make Plaintiff’s community more accessible for Plaintiff and others; and pledges to do whatever is necessary to create the requisite standing to confer jurisdiction upon this Court so an injunction can be issued correcting the numerous ADA violations on this property, including returning to the Property as soon as it is accessible (“Advocacy Purposes”).

7. Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P. (hereinafter “BURKEMPER FAMILY PARTNERSHIP, L.P.”) is a Missouri limited partnership that transacts business in the State of Missouri and within this judicial district.

8. Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., may be properly served with process via its registered agent for service, to wit: c/o BCRA Co., Registered Agent, 221 Bolivar Street, Suite 101, Jefferson City, MO 65101.

FACTUAL ALLEGATIONS

9. On or about April 7, 2022, Plaintiff was a customer at “Tubby’s Pub N Grub,” a business located at 506 Droste Rd., St. Charles, MO 63301, referenced herein as “Tubby’s”. *See* Receipt attached as Exhibit 1. *See* also photo of Plaintiff attached as Exhibit 2.

10. Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., is the owner or co-owner of the real property and improvements that Tubby's is situated upon and that is the subject of this action, referenced herein as the "Property."

11. Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., is responsible for complying with the ADA for both the exterior portions and interior portions of the Property. Even if there is a lease between Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., and a tenant allocating responsibilities for ADA compliance within the unit the tenant operates, that lease is only between the property owner and the tenant and does not abrogate the Defendant's requirement to comply with the ADA for the entire Property it owns, including the interior portions of the Property which are public accommodations. *See* 28 CFR § 36.201(b).

12. Plaintiff's access to Tubby's and other businesses at the Property, located at 506 Droste Rd., St. Charles, MO 63301, St. Charles County Property Appraiser's property identification number 086370A000 ("the Property"), and/or full and equal enjoyment of the goods, services, foods, drinks, facilities, privileges, advantages and/or accommodations offered therein were denied and/or limited because of her disabilities, and she will be denied and/or limited in the future unless and until Defendant is compelled to remove the physical barriers to access and correct the ADA violations that exist at the Property, including those set forth in this Complaint.

13. Plaintiff lives 9 miles from the Property.

14. Given the close vicinity of the Property to the Plaintiff's residence, Plaintiff often drives by the Property.

15. Plaintiff has visited the Property at least once before as a customer and advocate for the disabled. Plaintiff intends on revisiting the Property within six months after the barriers to access detailed in this Complaint are removed and the Property are accessible again. The purpose of the revisit is to be a return customer, to determine if and when the Property are made accessible and to maintain standing for this lawsuit for Advocacy Purposes.

16. Plaintiff intends on revisiting the Property to purchase goods and/or services as a return customer as well as for Advocacy Purposes but does not intend to re-expose herself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

17. Plaintiff travelled to the Property as a customer and as an independent advocate for the disabled, personally encountered many barriers to access the Property that are detailed in this Complaint, engaged many barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury if all the illegal barriers to access present at the Property identified in this Complaint are not removed.

18. Although Plaintiff may not have personally encountered each and every barrier to access identified in Plaintiff's Complaint, Plaintiff became aware of all identified barriers prior to filing the Complaint and because Plaintiff intends on revisiting the Property as a customer and advocate for the disabled within six months or sooner after the barriers to access are removed, it is likely that despite not actually encountering a particular barrier to access on one visit, Plaintiff may encounter a different barrier to access identified in the Complaint in a subsequent visit as, for example, one accessible parking space may not be available and she would need to use an alternative accessible parking space in the future on her subsequent visit. As such, all barriers to access identified in the Complaint must be removed in order to ensure Plaintiff will not be

exposed to barriers to access and legally protected injury.

19. Plaintiff's inability to fully access the Property and the stores in a safe manner and in a manner which inhibits the free and equal enjoyment of the goods and services offered at the Property, both now and into the foreseeable future, constitutes an injury in fact as recognized by Congress and is historically viewed by Federal Courts as an injury in fact.

COUNT I
VIOLATIONS OF THE ADA AND ADAAG

20. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

21. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

22. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

* * * * *

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

23. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

24. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

25. The Property is a public accommodation and service establishment.

26. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

27. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

28. The Property must be, but is not, in compliance with the ADA and ADAAG.

29. Plaintiff has attempted to, and has to the extent possible, accessed the Property in her capacity as a customer at the Property and as an independent advocate for the disabled, but could not fully do so because of her disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit her access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

30. Plaintiff intends to visit the Property again as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of her disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit her access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

31. Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., has discriminated against Plaintiff (and others with disabilities) by denying her access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

32. Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., is compelled to remove all physical barriers

that exist at the Property, including those specifically set forth herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

33. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

ACCESSIBLE ELEMENTS:

- (i) The total number of accessible parking spaces is inadequate and is in violation of Section 208.2 of the 2010 ADAAG standards. There are a total of 180 marked parking spaces at the Property, which would require a minimum of six accessible parking spaces, but there are only two accessible parking spaces at the Property. This barrier to access would make it difficult for Plaintiff to locate an available accessible parking space as such a small number of accessible parking spaces in a large parking lot increases the likelihood of there not being an available accessible parking space.
- (ii) The Property lacks an accessible route from the sidewalk to the accessible entrance in violation of Section 206.2.1 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to utilize public transportation to access the public accommodations located on the Property.
- (iii) At the exterior entrance door to Tubby's Pub & Grub, due to a 2 inch vertical rise in front of the door, the maneuvering clearance of the accessible entrance is not level in violation of Section 404.2.4.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access this unit of the Property

since it is often necessary for individuals in wheelchairs to need to use their hands to both wheel through the doorway and keep the door open with another hand. When the maneuvering clearance is not level, this ordinarily difficult process is made even more difficult by the presence of an excessive vertical rise.

- (iv) At Tubby's Pub & Grub, there is a doorway threshold with a vertical rise in excess of $\frac{1}{2}$ (one half) inch and does not contain a bevel with a maximum slope of 1:2 in violation of Section 404.2.5 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the interior of the Property at this location as the vertical rise at the door threshold could potentially cause Plaintiff to tip over when attempting to enter. Moreover, this barrier to access is made more difficult by the fact that it is in the doorway and Plaintiff would be required to hold the door open with one hand while attempt to the "push" the wheel of the wheelchair over the vertical rise.
- (v) At the exterior entrance door to Tubby's Pub & Grub, the Property lacks signage identified by the International Symbol of Accessibility that indicates the location of the nearest entrance complying with Section 404 of the 2010 ADAAG standards, if such an entrance exists. This policy decision by Defendant violates Section 216.6 of the 2010 ADAAG Standards. This barrier to access would make it difficult for Plaintiff to find an accessible entrance.
- (vi) In front of Plaza Lanes Bowling Center main entrance, the bottom edge of the sign identifying two accessible parking spaces is at a height below 60 inches from the floor in violation of Section 502.6 of the 2010 ADAAG standards. This barrier

to access would make it difficult for Plaintiff to locate an accessible parking space.

- (vii) In front of Plaza Lanes Bowling Center main entrance, the two accessible parking spaces have a vertical rise in excess of $\frac{1}{4}$ inch and is in violation of Sections 303.2 and 502.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as well as make it difficult for Plaintiff to travel to the public accommodations offered at the Property.
- (viii) There are no accessible parking spaces on the Property that have a sign designating an accessible parking space as “Van Accessible” in violation of section 208.2.4 of the 2010 ADAAG standards and section 502.6 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate a van accessible parking space.
- (ix) In front of Plaza Lanes Bowling Center, the parking stop in the access aisle encourages a vehicle to park in the access aisle in violation of Section 502.3.3 of the 2010 ADAAG Standards. This barrier to access would make it difficult for Plaintiff to leave a vehicle when parked in this accessible parking space as it increases the likelihood another vehicle will be parked in the access aisle which would not leave enough room for Plaintiff to exit their vehicle.
- (x) At the Plaza Lanes Bowling Center main entrance, there is a doorway threshold with a vertical rise in excess of $\frac{1}{2}$ (one half) inch and does not contain a bevel with a maximum slope of 1:2 in violation of Section 404.2.5 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for

Plaintiff to access the interior of the Property at this location as the vertical rise at the door threshold could potentially cause Plaintiff to tip over when attempting to enter. Moreover, this barrier to access is made more difficult by the fact that it is in the doorway and Plaintiff would be required to hold the door open with one hand while attempt to the “push” the wheel of the wheelchair over the vertical rise.

- (xi) As a result of the barriers to access identified in (iv), (v) and (x), not all entrance doors and doorways comply with Section 404 of the 2010 ADAAG standards, this is a violation of Section 206.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access the units of the Property.
- (xii) As not all entrances comply with Section 404 of the 2010 ADAAG Standards, entrances that do comply with Section 404 of the 2010 ADAAG Standards are required to have signage identified by the International Symbol of Accessibility indicating an accessible entrance, however, no such signage exists on the Property in violation of Section 216.6 of the 2010 ADAAG Standards. Moreover, there is a lack of directional signage indicating the location of the nearest accessible entrance. This barrier to access would make it difficult for Plaintiff to locate an accessible entrance on the Property.
- (xiii) At Tubby’s Pub & Grub, the two windows inside the bowling alley that serve as to-go/take-out counter lack any portion of the counter that has a maximum height of 36 (thirty-six) inches from the finished floor in violation of Section 904.4 of the 2010 ADAAG standards, all portions of the to-go/take-out counter exceed 36

(thirty-six) inches in height from the finished floor. This barrier to access would make it difficult for Plaintiff to properly transact business at the Property.

(xiv) The drinking fountain inside the bowling alley lacks adequate knee and toe clearance that complies with Section 306 of the 2010 ADAAG standards and is therefore in violation of Section 602.2 of the 2010 ADAAG standards. This barrier to access would make it difficult for the Plaintiff to utilize public features of the Property.

(xv) At Plaza Lanes Bowling Center, due to the bowling lanes being only accessible via two steps downs with no accessible ramp, there is no accessible route to the bowling lanes, as such the Property lacks an accessible route connecting the exterior of the Property to all accessible elements and features inside the Property in violation of Section 206.2.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access public features of the Property due to the lack of a safe accessible route leading from the exterior to interior spaces inside the Property.

(xvi) The Property contains a bowling alley and none of the bowling lanes are on an accessible route, however, at least 5% of the bowling lanes are required to be on an accessible route, this is a violation of section 206.2.11 of the 2010 ADAAG Standards.

(xvii) Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

PLAZA LANES BOWLING CENTER RESTROOMS

(xviii) There are no toilet stalls which meet the minimum size requirements of Section

604.8.1 of the 2010 ADAAG standards for an accessible stall. This barrier to access would make it difficult for the Plaintiff and/or any disabled individual to safely utilize and access a toilet at the Property.

- (xix) The accessible toilet stall door has a maximum clear width below 32 (thirty-two) inches, is too narrow and violates Section 604.8.1.2 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities as wheelchair typically has a clear width of between 30 and 32 inches and the wheelchair will not be able to fit through the doorway to access the restroom. In the case that the wheelchair may barely fit through, the tight doorway would likely injure Plaintiff's hands as they could get caught between the wheel and the doorway.
- (xx) The restroom has walking surfaces lacking a 36 (thirty-six) inch clear width due to the proximity of the stall to an adjacent wall in violation of Section 403.5.1 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff and/or any disabled individual to properly utilize the restroom facilities at the Property as there is no accessible route leading to the restroom stall door to access the toilet.
- (xxi) The door exiting the restroom lacks a clear minimum maneuvering clearance, due to the proximity of the door hardware within 18 inches to the adjacent wall, in violation of Section 404.2.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to safely exit the restroom due to the fact individuals in wheelchairs have their feet sticking out in front of them and when there is inadequate clearance near the door (less

than 18 inches), their protruding feet block their ability to reach the door hardware to open the door.

- (xxii) The height of coat hook located in accessible restroom stall is above 48 (forty-eight) inches from the finished floor in violation of Section 308.2.1 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to reach the coat hook as individuals in wheelchairs are seated and have significantly less reach range than individuals who stand up.
- (xxiii) The grab bars/handrails adjacent to the commode are missing and violate Section 604.5 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to safely transfer from the wheelchair to the toilet and back to the wheelchair.
- (xxiv) Restrooms have a sink with inadequate knee and toe clearance in violation of Section 306 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to utilize the restroom sink as Plaintiff is seated in a wheelchair and, when seated, Plaintiff's feet and legs protrude out in front. In order to properly utilize a sink, Plaintiff's legs must be able to be underneath the surface of the sink, but due to the improper configuration of the sink, there is no room underneath for Plaintiff's legs and feet.
- (xxv) The soap dispenser in the restroom is located higher than 48 inches above the finished floor which is outside the prescribed vertical reach ranges set forth in Section 308.2.1 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to reach the

actionable mechanism of the soap dispenser as individuals in wheelchairs are seated and have significantly less reach range than individuals who stand up.

(xxvi) The height of the bottom edge of the reflective surface of the mirror in the bathroom is above the 40 inch maximum height permitted by Section 603.3 of the 2010 ADAAG standards. This barrier to access would make it difficult for the Plaintiff and/or any disabled individual to properly utilize the mirror in the restroom since Plaintiff is sitting in a wheelchair and is lower than a person standing up.

(xxvii) The accessible route leading to the restroom has excessive vertical rise and is in violation of Section 303.2 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.

(xxviii) The restroom lacks signage in compliance with Sections 216.8 and 703 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff and/or any disabled individual to locate accessible restroom facilities.

34. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

35. Plaintiff requires an inspection of the Property in order to determine all of the discriminatory conditions present at the Property in violation of the ADA.

36. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

37. All of the violations alleged herein are readily achievable to modify to bring the

Property into compliance with the ADA.

38. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

39. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., has the financial resources to make the necessary modifications since the parcel is valued at \$1,640,193.00 according to the Property Appraiser website.

40. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable.

41. The removal of the physical barriers and dangerous conditions present at the Property is also readily achievable because Defendant has available to it a \$5,000.00 tax credit and up to a \$15,000.00 tax deduction available from the IRS for spending money on accessibility modifications.

42. Upon information and good faith belief, the Property have been altered since 2010.

43. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

44. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that she will continue to suffer irreparable harm unless and until Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., is required to remove the physical

barriers, dangerous conditions and ADA violations that exist at the Property, including those alleged herein.

45. Plaintiff's requested relief serves the public interest.

46. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P.

47. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., pursuant to 42 U.S.C. §§ 12188 and 12205.

48. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendant, BURKEMPER FAMILY PARTNERSHIP, L.P., to (i) remove the physical barriers to access and (ii) alter the subject Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff her reasonable attorneys' fees, litigation expenses and costs; and

- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
